

DOG & GUN

WELCOME BACK WE'VE MISSED YOU!!!

Well what a time we have all had over the last few months with everything different from when doors were closed before Mothers Day.

All our birthdays came and went with celebrations being much more low key than planned but fabulous, none the less and what I've loved is actually eating with the family – well some of the time at least.

Exciting news – we are going to be Grandparents as Aaron & Megan are expecting in November – they had the most lovely way of telling us – I cried with joy - I'll tell you all about it.

So things are different and we are doing our best to make this a lovely occasion for you but if you can help us in sticking to the rules and regs we now have to follow we would greatly appreciate it.

I'd like to thank you all for joining us now and for supporting us during lockdown when we were offering Hot Takeaways and Restaurant Ready Meals (which we are still doing)

Big shout out as well to our Staff who have been amazing, our friends, suppliers and you - who have been very supportive in helping us to provide over 2000 meals to our NHS heroes – where would we be without them, and to Captain Tom who inspired us all -you know sometimes we just don't know when we are well off!

Enjoy yourselves please

Cheers

Ross & Anita xx
